Important information for visitors considering attending any trip: You are required to read or disclaimer on the information on our [Indemnity Form](#), and sign it. Please read our [Safety Policy](#) for details on safety procedure on our trips, which includes a more detailed description of some of the following points: We highly recommend that you have rated recovery points fitted to your vehicle, and in fact this is a requirement if you attend any trips with a difficulty rating of 3 stars (***) or more. We also recommend that you attend a training course run by Eric of www.austracks4wd.com.au. When on a trip, the trip leader is in charge of the trip, and has the final word on all matters, including recoveries etc. Click here for [more info](#).

Legend for trip ratings...

Endurance	*	Normal distances from services
	**	Moderate distances from MOST services
	***	No services. Must be fully self sufficient with extra water, fuel, tools, tyres, spare parts
Difficulty	*	Normal / Bitumen. Bring your 2WD if you like!
	**	Gravel or Hard Sand Driving. Any 4WD will do.
	***	4x4 track, beach and soft sand, suitable for most 4WD's including "soft roaders". Recovery points recommended.
	****	Hill climbs, ruts, water crossings. Recommend 4WD with decent ground clearance. Recovery points recommended.
	*****	Only experienced operators & high ground clearance vehicles. Possible vehicle damage! Recovery points required (see Safety Policy)
