**Important information for visitors considering attending any trip:** You are required to read or disclaimer on the information on our [Indemnity Form](#), and sign it. Please read our [Safety Policy](#) for details on safety procedure on our trips, which includes a more detailed description of some of the following points: We highly recommend that you have rated recovery points fitted to your vehicle, and in fact this is a requirement if you attend any trips with a difficulty rating of 3 stars (\*\*\*) or more. We also recomend that you attend a training course run by Eric of [www.austracks4wd.com.au](http://www.austracks4wd.com.au) . When on a trip, the trip leader is in charge of the trip, and has the final word on all matters, including recoveries etc. Click here for [more info](#).

#### Legend for trip ratings...

|                   |       |   |
|-------------------|-------|---|
| <b>Endurance</b>  | *     | Normal distances from services  |
|                   | **    | Moderate distances from <b>MOST</b> services  |
|                   | ***   | No services. Must be fully self sufficient with extra water, fuel, tools, tyres, spare parts  |
| <b>Difficulty</b> | *     | Normal / Bitumen. Bring your 2WD if you like!   |
|                   | **    | Gravel or Hard Sand Driving. Any 4WD will do.   |
|                   | ***   | 4x4 track, beach and soft sand, suitable for most 4WD's including "soft roaders". Recovery points recommended.                                      |
|                   | ****  | Hill climbs, ruts, water crossings. Recommend 4WD with decent ground clearance. Recovery points recommended.  |
|                   | ***** | Only experienced operators & high ground clearance vehicles. Possible vehicle damage! Recovery points required (see <a href="#">Safety Policy</a> ) |
