Important information for visitors considering attending any trip: You are required to read or disclaimer on the information on our [Indemnity Form](#), and sign it. Please read our [Safety Policy](#) for details on safety procedure on our trips, which includes a more detailed description of some of the following points: We highly recommend that you have rated recovery points fitted to your vehicle, and in fact this is a requirement if you attend any trips with a difficulty rating of 3 stars (****) or more. We also recommend that you attend a training course run by Eric of www.austracks4wd.com.au. When on a trip, the trip leader is in charge of the trip, and has the final word on all matters, including recoveries etc. Click here for [more info](#).

Legend for trip ratings...

| | | |
|-------------------|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Endurance | * | Normal distances from services |
| | ** | Moderate distances from <i>MOST</i> services |
| | *** | No services. Must be fully self sufficient with extra water, fuel, tools, tyres, spare parts |
| Difficulty | * | Normal / Bitumen. Bring your 2WD if you like! |
| | ** | Gravel or Hard Sand Driving. Any 4WD will do. |
| | *** | 4x4 track, beach and soft sand, suitable for most 4WD's including "soft roaders". Recovery points recommended. |
| | **** | Hill climbs, ruts, water crossings. Recommend 4WD with decent ground clearance. Recovery points recommended. |
| | ***** | Only experienced operators & high ground clearance vehicles. Possible vehicle damage! Recovery points required (see Safety Policy) |
