Jan		<p>We need more trips - My 4WD is getting rusty!</p>  <p>Get your gear off Road, your family out of the house, your kids off their iPads! Maybe day trip up in the hills, beach or overnighter somewhere? Your 4WD is meant to get used - dont let it rust away and have the weeds grow through it! Here are some ideas for Day trips: - Moore river state forest, Mundaring, Julimar, Avaan valley, Willbinga, Tims Thicket, Lancelin, Wandoo, Dwellingup, North, South, East... Yes I'm always keen for a drive. Anyone interested in leading a trip, please email me and I can assist with sorting out the details for you. Here are some of the requirements and guidelines for Leading Trips in GoBush 4WD club. http://www.gobush4wd.com.au/tripleaders.htm Difficulty: *** Endurance: * Trip leader:</p>

May	Fri 15th - Wed 20th	Golden Quest Discovery Trail - 6 day trip - Trip postponed *** Trip postponed as this will still require crossing the zone borders (even after they are relaxed next week) Leaving Friday 8AM and following the historic Golden Quest Trail. We will be on the trail by the first night and spending 3 days and nights bush camping going around it hoping to stop in at a pub or 2 and maybe the occasional waving of the metal detector if we get a chance. We are also hoping to spend a full day in or around Kalgoorlie at the end doing the touristy thing staying at a caravan park for 2 night. Members only, max of 6 cars and you will need a minimum range of 500 kms between service stations. Wednesday will be just driving home from Kal. *** We are waiting for the government to open the regional boarders and if they don't we will postpone the trip until they do. Please email me if you need any other details Difficulty: *** Endurance: *** Trip leader: IC	Attending: TC, Skip, Buzz, Stu (visitor),

Important information for visitors considering attending any trip: You are required to read or disclaimer on the information on our [Indemnity Form](#), and sign it. Please read our [Safety Policy](#) for details on safety procedure on our trips, which includes a more detailed description of some of the following points: We highly recommend that you have rated recovery points fitted to your vehicle, and in fact this is a requirement if you attend any trips with a difficulty rating of 3 stars (***) or more. We also recommend that you attend a training course run by Eric of www.austrax4x4.com.au . When on a trip, the trip leader is in charge of the trip, and has the final word on all matters, including recoveries etc. [Click here for more info.](#)

Read this [Saftey message](#) please!

Legend for trip ratings...

Endurance	*	Normal distances from services
	**	Moderate distances from <i>MOST</i> services
	***	No services. Must be fully self sufficient with extra water, fuel, tools, tyres, spare parts
Difficulty	*	Normal / Bitumen. Bring your 2WD if you like!
	**	Gravel or Hard Sand Driving. Any 4WD will do.
	***	4x4 track, beach and soft sand, suitable for most 4WD's including "soft roaders". Recovery points recommended.
	****	Hill climbs, ruts, water crossings. Recommend 4WD with decent ground clearance. Recovery points recommended.
	*****	Only experienced operators & high ground clearance vehicles. Possible vehicle damage! Recovery points required (see Safety Policy)
