Important information for visitors considering attending any trip: You are required to read or disclaimer on the information on our [Indemnity Form](#), and sign it. Please read our [Safety Policy](#) for details on safety procedure on our trips, which includes a more detailed description of some of the following points: We highly recommend that you have rated recovery points fitted to your vehicle, and in fact this is a requirement if you attend any trips with a difficulty rating of 3 stars (***) or more. When on a trip, the trip leader is in charge of the trip, and has the final word on all matters, including recoveries etc. Click here for [more info](#).

Legend for trip ratings...  This is a smoke free event. [Click here for details](#) Read this [Safety message](#) please!

- Endurance** * Normal distances from services
- ** Moderate distances from MOST services

*** No services. Must be fully self sufficient with extra water, fuel, tools, tyres, spare parts

Difficulty * Normal / Bitumen. Bring your 2WD if you like!

** Gravel or Hard Sand Driving. Any 4WD will do.

*** 4x4 track, beach and soft sand, suitable for most 4WD's including "soft roaders". Recovery points recommended.

**** Hill climbs, ruts, water crossings. Recommend 4WD with decent ground clearance. Recovery points highly recommended.

***** Only experienced operators & high ground clearance vehicles. Possible vehicle damage!
Recovery points required (see [Safety Policy](#))
